Dear Friend:

I have been receiving a lot of correspondence from Posey about some dates. I have written him I will let him know in a couple days.

As things stand now I am expecting to play you Sunday April 29th in Atlanta, and up through Virginia from the 29th to the 4th. I want you to wire or air mail special a letter right away telling me when you want to start with me. If you have a good spot for the 22nd, do you want to pick me up then? If so do you want me to stay with you through the 29th etc.

I have agreed to play The Grays in Roanoke the 15th, and maybe the 16th in Danville and the 17th in Greensboro. None of these dates are closed but the 15th.

Now please let me hear from you right away especially about the 22nd, as I must have something for that day. If I get your confirmation I will know the dates are final.

Very Truly Yours

P.S. I have given the dates from the 29th on to Brady Johnson to take care of, so if you think there is a spot from Atlanta up that would be good, let me know so I can contact Brady right away.
